A photograph showing a long wooden picket fence in the foreground, set against a clear blue sky. The fence is made of vertical wooden slats and runs across the middle of the frame. In the background, a white building with horizontal siding is visible. Handwritten in black on the building's wall is the text "4 ft Fence" on the top line and "Clear finish" on the bottom line. To the right of the white building, there are dark evergreen trees and a portion of a dark-colored house. The ground in the foreground is a mix of light-colored soil and sparse green grass.
