Approved:  Yes

Yes, with conditions

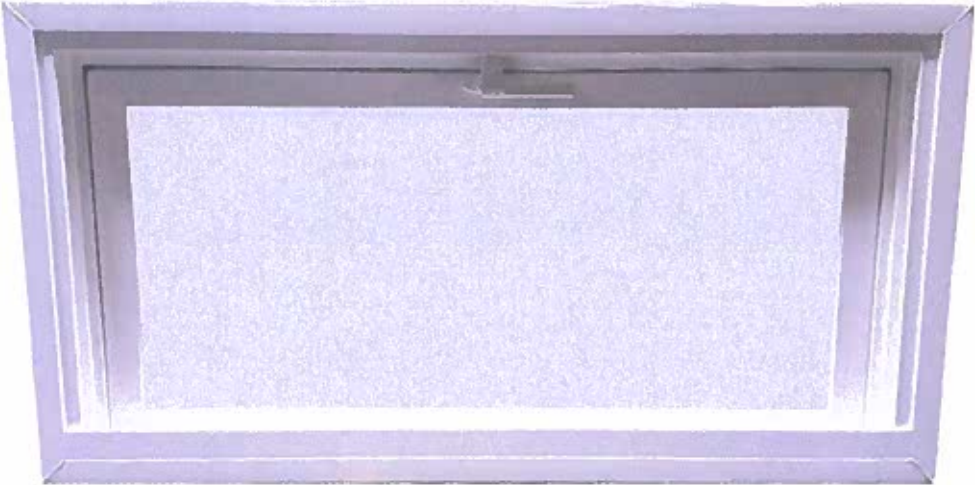

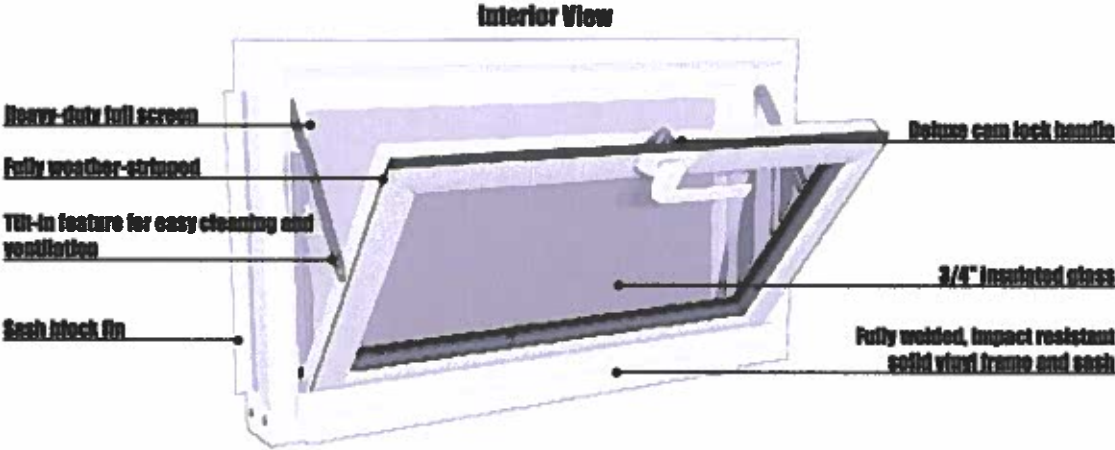

Current window condition. Frames are rotten and/or rusted and allow water into the basement when it rains. Several panes are broken. Windows have been sealed shut (many years ago) so we can't open them to allow for ventilation.

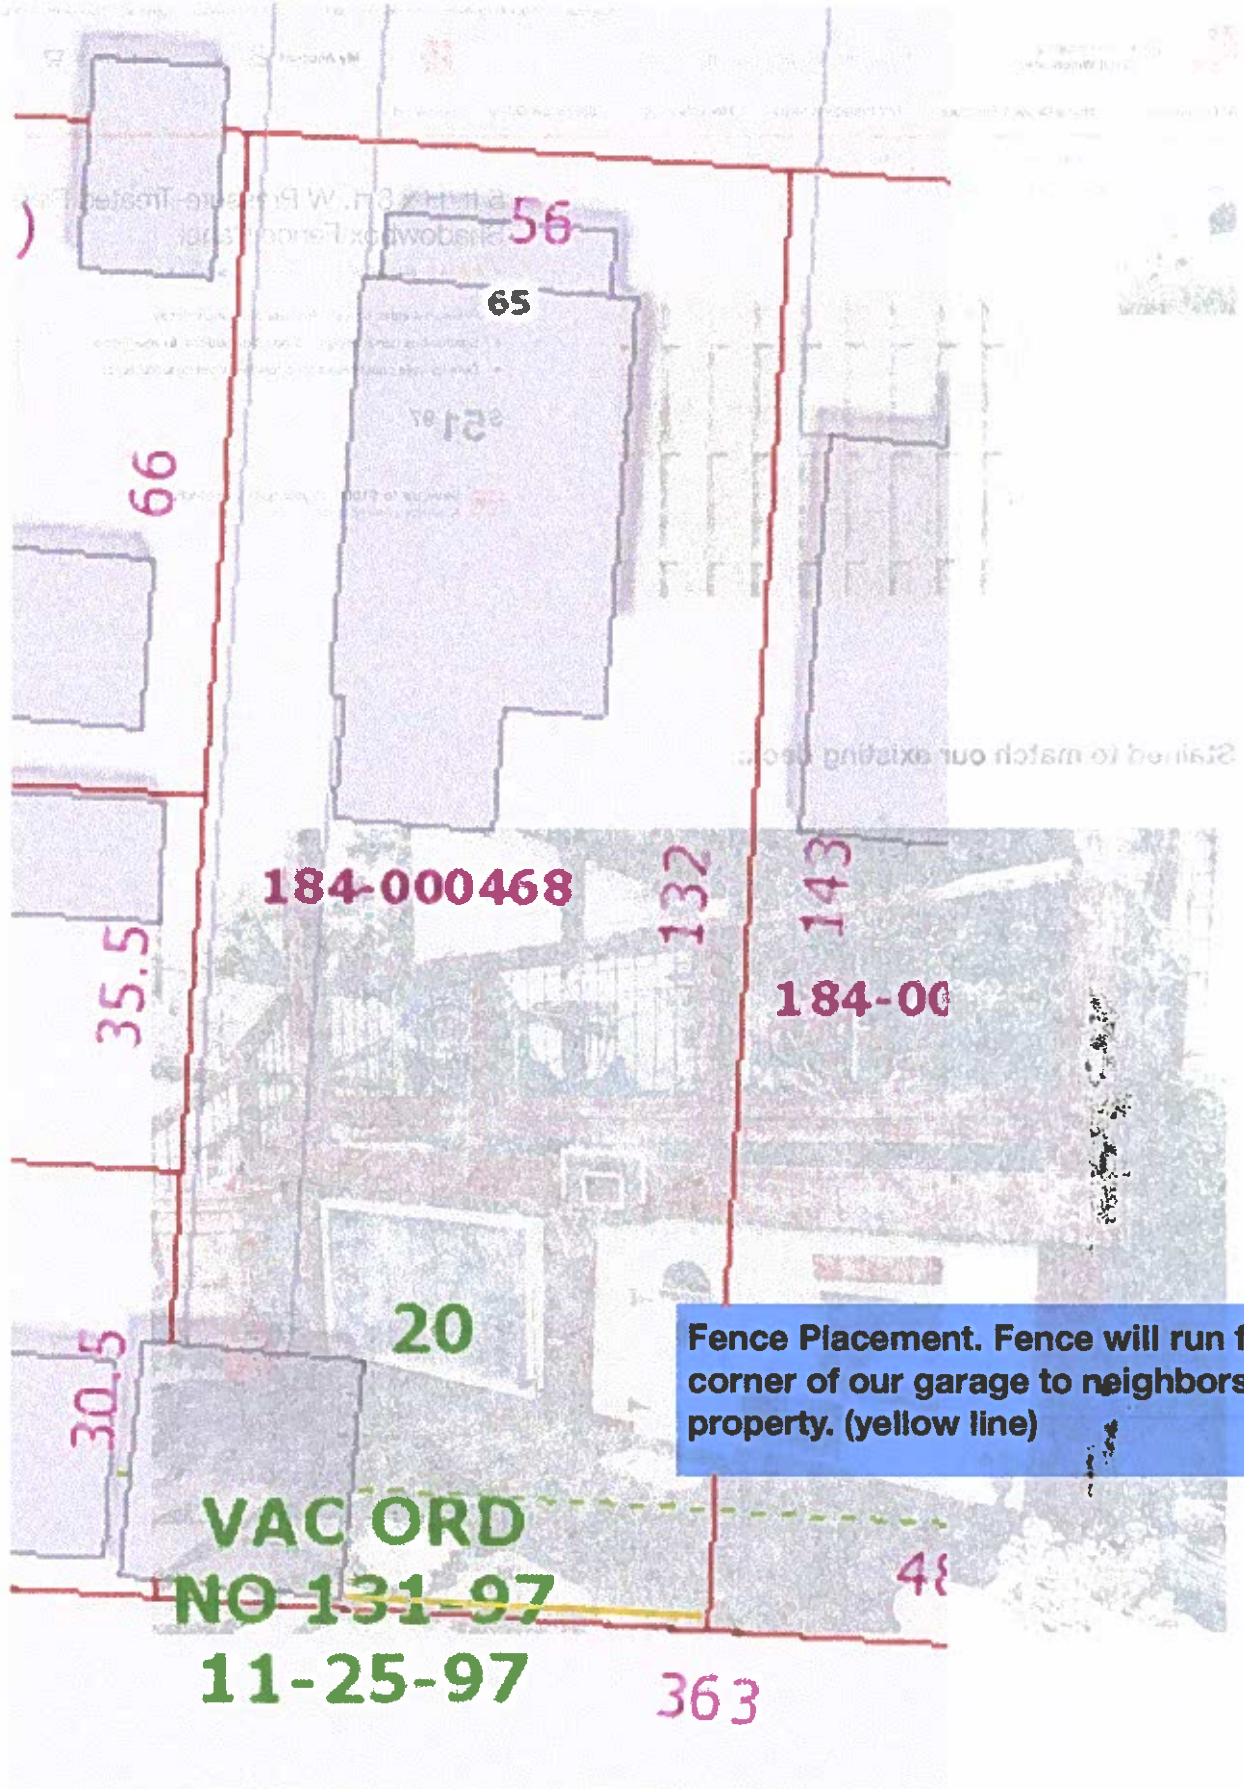

Replacement windows will be vinyl "hopper" style windows that open into the basement at the top. Examples below:

***PATRIOT Vinyl Basement Window***

**Installation Instructions**

**This is the fence style we intend to build:**
