Sign Permit Application Attachment

Required Materials

Submit 3 sets of drawings of the requested sign(s) including the following:

- The location of all existing and proposed sign(s) on the subject property along with all structures
- Colors of the proposed sign(s) (including black and white)
- A scaled elevation drawing of the proposed sign(s) indicating the width and height of the display area, sign text (including text height), and the total area of each sign

Building Code Requirements per Ohio Building Code Section 3107.1.1

Construction documents for signs shall be submitted for approval in accordance with the provisions of Chapter 1. The application for approval shall be accompanied by the written consent of the owner or lessee of the property upon which the sign is to be erected. Exceptions to Section 3107.1.1: 1) signs painted directly on the building surfaces; 2) temporary signs; 3) signs erected by federal, state and local transportation authorities; 4) signs not more than 2.5 sq. ft. in area; 5) signs required in accordance with the provisions of Chapter 11; 6) signs undergoing minor repairs in accordance with Section 105.2
